

Working to Improve Dog Ownership For All

If you believe, as much as we do,
in the following 7 principles then The Coalition For
Improved Dog Ownership Standards (C-fidos) would very
much welcome your support:

- 1) *That dogs and society in the UK would benefit from a nation of better informed dog owners*
- 2) *That dog related legislation should be fair and not based on breed type*
- 3) *That the UK should strive to address and reduce the number of dogs surrendered to shelters*
- 4) *That all dog owners should be made aware of the principles of the Animal Welfare Act*
- 5) *That all potential dog owners should be better informed how to select responsible suppliers of dogs*
- 6) *That irresponsible suppliers and producers of dogs should be properly legislated against*
- 7) *That educating young people about dogs will benefit both dogs and society in the future*

Just a few moments of your time can go a long way.

By joining C-fidos as a supporter or becoming a member of our steering
